If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new e book, however do not embody a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Make sure that your sales copy is precisely the identical on every page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

Ultimately, in the event you've written a guide that solves a downside or presents a new approach,
