It is priced on components such as paper inventory, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books that have the ability to alter, or presumably transform, individuals's lives.

What do you assume an idea is price when evaluated against the cost of paper and ink?

It is the IDEAS that are worthwhile! That's how you determine the cost of your ebook.

There are all different formulation and strategies for determining the proper value in your ebook. Let's start with honing in in your final goals.

Resolve if your purpose is to get vast distribution and maximum exposure. This aim is aimed toward drawing clients to your corporation or service, or to establishing the credibility of your reputation.
