Another strategy is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is precisely the identical on each page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a guide that solves a problem or presents a new approach, your guide will herald each traffic and profits.
