Do this by making a gross sales web page for the new e-book, however don't embrace a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with different costs on each page. Ensure that your gross sales copy is strictly the identical on each web page,

and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, when you've written a book that solves a problem or presents a brand new method, your book will bring in both traffic and profits.
