price. Do that by making a gross sales web page for the brand new e book, however don't include a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is precisely the same on each page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.

Finally, in the event you've written a e book that solves a problem or presents a brand new approach, your book will usher in both traffic and profits.
